The Episcopal Asset Map

Now there are varieties of gifts, but the same Spirit; and there are varieties of services, but the same Lord; and there are varieties of activities, but it is the same God who activates all of them in everyone. To each is given the manifestation of the Spirit for the common good. - 1 Corinthians, 12:4-7

Individuals, churches, and institutions of The Episcopal Church have an abundance of gifts. This new Episcopal Asset Map can help connect people – both in the Church and in the broader community – to these gifts and promote the sharing of ideas and information.

But, the value of the map depends on the ongoing participation and interest of individuals in Episcopal schools, ministries and congregations. Without local participation, the map will remain a set of empty pins.

But, with your help the map will be a powerful tool allowing others to see what is happening at your location, around our diocese and throughout the Episcopal Church.

- ✓ The map can help you build networks with people involved in similar ministries to share ideas and strategies, or it can be a jumping off point for entirely new directions.
- ✓ The map provides a great resource to attract folks to visit you. People move all the time and the map can help guide people to ministries and parishes that offer what they are seeking.

- ✓ In times of disaster or emergency, the map can be a framework for assessment and response, showing a disaster's impact and how local bodies are responding.

At all times, the map can serve as a platform to connect and inspire.

You can do it!

Please go to the link below, take a moment to find your church or institution and fill out the information survey by clicking on the "Take the Survey" text link at the top of the page for your facility. There is also a place in the survey to share your stories of ministry through pictures and video.
